# ADVANCING INCLUSIVITY THROUGH ENHANCED **DISABILITY CARE PROGRAMS**

## The Smile is Our Smile

Our students from the School of Health and Natural Sciences (SIKIA) organized a social service event for students of Disability Junior High School Banyuwangi bringing the topic of “This Smile is Our Smile”. This heartwarming event was attended by the Veterinary Medicine academic community and students with diverse disabilities—ranging from hearing and speech impairments to physical challenges and mental disabilities—come together in a heartening display of shared joy.

## Disability Care

The Student Executive Board at the Faculty of Humanities (FIB) UNAIR conducted the mental disorder care initiative—a program on caring for patients with mental disorders at LIPONSOS in Sidoarjo Regency, East Java. Through these efforts, UNAIR proves the efforts demonstrating the impact of inclusive education and community engagement.

# EMPOWERING INDIVIDUALS WITH DISABILITIES THROUGH IDENTITY AND CONFIDENCE BUILDING

## Kita Sama Program

As part of the “Kita Sama” programme Student Executive Board spearheaded a disability empowerment series in Surabaya. Held fortnightly, we reach out to educational institutions in Surabaya, including the Bangun Bangsa Special School, YPAC Special School, and Karya Mulia Deaf School. The underlying objective of these engagements is to foster solidarity and self-assurance, enabling these students to use and showcase their unique talents with their peers.

## Mental Health Festival

Following the success of the “Kita Sama” programme, we celebrate it by hosting art workshop creating symbolic “trees of hope” in order to nurture their talents and spotlight. The diverse skills and creations of participating individuals. During the Mental Health Festival, performances from the disabled ones were presented, including dance and singing performances, angklung musical performance, and fashion show. That show is our commitment to present the talent from the disabled adults and children, admiring their skills in the arts.
